Trip Report:

- **8 August 2026** – Upper Coyote Canyon. Let me think who showed up for this one, Mike, Ryan, Dale, Al, Perry and Brian. It had rained recently so the arroyo was nice and wet. We encountered a large mud hole as we traveled towards the arroyo, it looked a lot worse than it was. Eventually everyone made it thru with no assistance to speak of. The arroyo offered lots of mud to play in and a few deep-water holes. All in all I think it was a good trip.
- **15 August 2026** – Forest Road 570. This tripped turned out to be about 22 miles on the trail. The views out there are spectacular and the weather held out for the entire ride. The following showed up for this one Al leader, Perry, NY-Bill, Greg, Gerald, Bob, Roger and Brian. We also had four of our lovely wives show up as well. Another great ride.
