Trip Report:

- **27 Jun 2026** – 3 Mile Canyon, several folks showed up for this trip and they split into the two group, SxSs and the 4x4s. I guess it was a good trip I missed it since I was out camping.
- **4 July 2026** – We did the 4th of July parade in Alamogordo and 9 folks participated. Thanks for coming out.
- **16 July 2026** – Round About backwards, we went into Round About the opposite way that we usually do so you end up going up all the ledges instead of down them. It's a good trip to test out your rig and skills without being too difficult. It had rained the night before so the arroyo was pretty muddy, a nice change from the dust.
